

MAZAK U.S. FACTORY-DIRECT LEASING PLANS

Quick approvals, hassle-free and low-cost financing on Mazak equipment

For orders received and credit approved during **May 2024**, Mazak Corporation proposes the following **five-year** financing plans for all new Mazak machines for U.S. customers. For quoting purposes only:

- A. Lease Purchase (Capital Lease) – \$1.00 purchase option:**
30 Days First Payment, **\$1,988 per \$100,000 of Machine Cost, Factor: 0.01988**
90 Days First Payment, **\$2,012 per \$100,000 of Machine Cost, Factor: 0.02012**
7.99% reflects monthly-in-arrears rents. Customer gets depreciation deduction.
Assumes three Advance Rents to be deducted from the machine deposit.
Example: \$100,000 to finance, 3 advance payments upfront \$5,964, then 57 payments at \$1,988.
- B. True Lease (FMV Lease) - Purchase option is fair market value at end of term:**
30 Days First Payment, **\$1,756 per \$100,000 of Machine Cost, Factor: 0.01756**
90 Days First Payment, **\$1,780 per \$100,000 of Machine Cost, Factor: 0.01780**
Offers the lowest monthly payment. Lessor gets depreciation deduction.
End of term options – continue renting, return equipment, or purchase for fair market value.
- C. Loan:**
30 Days First Payment, **\$2,027 per \$100,000 of Machine Cost, Factor: 0.02027**
90 Days First Payment, **\$2,054 per \$100,000 of Machine Cost, Factor: 0.02054**
7.99% Rate on the Loan. Customer gets depreciation deduction.
Example: \$100,000 balance to finance, 0 payments upfront, 60 payments at \$2,027.

These payments reflect current interest rates for leases/loans that are credit approved and transaction documents returned from Customer by **5/31/2024**; however, the **payments may be adjusted at time of machine acceptance/lease or loan commencement to reflect the current interest rates.**

****Machine deposit is required with order to hold machine. If 100% financing is approved, the deposit will be refunded to the customer once Mazak is paid in full for the equipment (at funding).**
