MAZAK U.S. FACTORY-DIRECT LEASING PLANS

Quick approvals, hassle-free and low-cost financing on Mazak equipment

For orders received and credit approved during **August 2021**, Mazak Corporation proposes the following **five-year** leasing plans for all new Mazak machines for U.S. customers. For quoting purposes only please see below options:

A. **Lease Purchase (Capital Lease) – $1.00 purchase option:**
30 Days First Payment, **$1,823 per $100,000 of Machine Cost, Factor: 0.01823**
90 Days First Payment, **$1,832 per $100,000 of Machine Cost, Factor: 0.01832**

3.97% reflects monthly-in-arrears rents. Customer gets depreciation deduction.

Assumes three Advance Rents to be deducted from the machine deposit.

B. **True Lease (FMV Lease) - Purchase option is fair market value at end of term:**
30 Days First Payment, **$1,525 per $100,000 of Machine Cost, Factor: 0.01525**
90 Days First Payment, **$1,535 per $100,000 of Machine Cost, Factor: 0.01535**

Offers the lowest monthly payment. Lessor gets depreciation deduction.

Assumes three Advance Rents to be deducted from the machine deposit.

C. **Loan**:
30 Days First Payment, **$1,837 per $100,000 of Machine Cost, Factor: 0.01837**
90 Days First Payment, **$1,847 per $100,000 of Machine Cost, Factor: 0.01847**

3.91% Rate on the Loan

These payments reflect current interest rates for leases/loans that are credit approved and transaction documents returned from Customer by 8-31-2021. However, the payments may be adjusted at time of machine acceptance/lease commencement to reflect the current interest rates.

****10% machine deposit is required with order to hold machine (some models are 20%). *If 100% financing is approved, the deposit will be refunded to customer once Mazak is paid in full for the equipment (at funding).***

Unlike many Banks/Leasing Companies – no security deposit or interim rent are charged under these plans.

Credit Approval: For faster approvals please fill out our on-line credit application. Link below: https://www.mazakusa.com/financing/online-application/ . **Pricing for companies with under 3 years of same ownership, or companies that do not qualify for traditional financing sources, may be adjusted accordingly.**

The appropriate Advance Rents or Down Payment and $400 Documentation Fee may be deducted from a machine deposit you have made, with the balance of the deposit being returned to you after the financing commences.
